

PRIORITY 4

4.2 Business Advisory Service

Southern Adelaide Business Advisory Service.

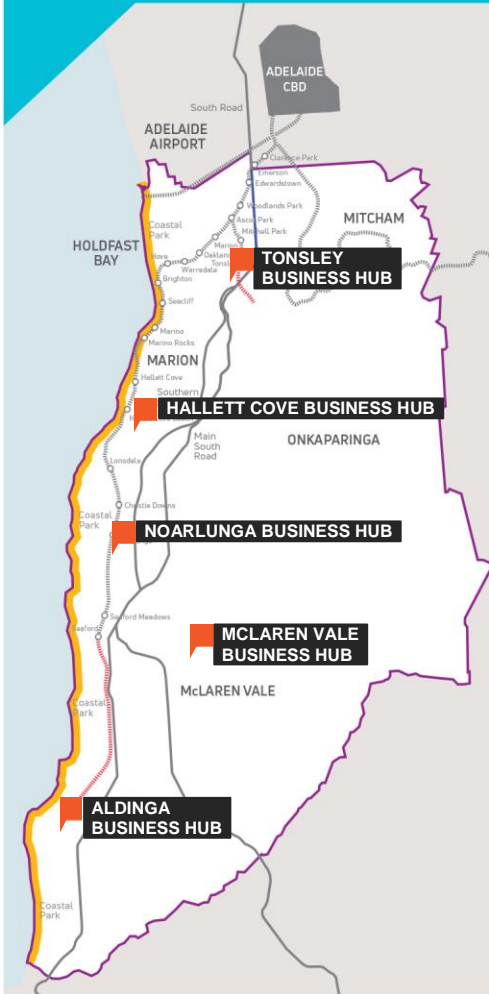

Business is the engine room of the Southern Adelaide economy.

A Southern Adelaide Business Advisory service will support start-ups and growth of existing businesses.

There is a demonstrated demand for a one-on-one service that supplements existing online resources and learning and development programs, which allows businesses and those looking to start a business to discuss their business questions face-to-face in a confidential environment.

The service will:

- Provide small business intenders / entrepreneurs, managers and owners with relevant and timely information in relation to starting, running and growing a business.
- Raise awareness of and recommend suitable training courses, workshops and events that clients could attend, including referrals to other agencies.
- Mentor and coach business intenders, managers and owners to support their growth and build resilience.
- Support businesses with high growth potential.
